I tried to settle my dispute with CTCSP staff. I request a Conference Board because:

_____

_____

I understand that:

1. A Conference Board tries to settle complaints informally. A Board cannot modify a court order. A court does not review a Board's rulings.
2. This is not a request for an adjudicative proceeding (hearing). A Conference Board does not take the place of any other right I have to a hearing. This request will not stop CTCSP from taking collection actions.
3. I may represent myself or have someone else represent me. CTCSP will not pay my costs.
4. CTCSP may send a copy of this request to the other party to my child support case. CTCSP will remove my address form the copy sent to the other party.
